The defendant admitted using prior to drug testing on November 7 th , but denies any new use since that time. She began attending outpatient group counseling at the Alabama Abuse Counseling Center on November 26, 2007.

Supervision history of defendant and actions taken by officer: As previously reported to the Court, the defendant tested positive for marijuana on July 30th and August 21st, 2007. It was recommended at that time that no action be taken and her drug testing schedule be increased.
